Moulds for Sugar skull large - Pumpkin

\$6.00

Â

The moulds I'm using for this recipe come in two parts, front and back, which you will glue together to form a complete skull. You can also make flat-backed sugar skulls by using only the front part of the mold.

Small - Approx 7cm x 7cm, Medium - Approx 10cm x 8cm, **Large - Approx 11cm x 9.5cm.**
